WORK EXPERIENCE

Documentation Intern

ScienceLogic - Reston, VA (Remote)

June 2021 – August 2021

- Worked with developers and attended cross-team meetings to understand ScienceLogic's products.
- Updated manuals and release notes, organized and edited source files, and copyedited manuals.

Technical Writer Intern

ORock Technologies - Reston, VA (Remote)

June 2020 – August 2020

- Assisted with the Federal Sales team's proposals, white papers, and documentation.
- Created presentation graphics about ORock's technologies and capabilities.

ORGANZIATIONAL ROLES

Writer, Editor

Her Campus at Virginia Tech

January 2021 – Present

- Responsible for editing and writing articles that are published on the Her Campus website for the Virginia Tech chapter.
- Promoting the organization by sharing and supporting other writers' articles on social media.

Co-Founder, Treasurer

National Association of Hispanic Journalists at Virginia Tech

February 2021 – November 2021

- Responsible for submitting funding requests to the Student Budget Board.
- Contributed to the founding of Virginia Tech's chapter of the NAHJ, including the creation of our website.

Peer Mentor

Thrive Living-Learning Community

June 2019 – June 2020

- Facilitated conversations and presentations during weekly gatherings and other community events.
- Met with my mentees at least once a week to serve as a resource, help them leverage their strengths, and guide them through college life.

AWARE Mentor

The Women's Center at Virginia Tech

January 2019 – May 2019

- Planned and facilitated discussions and activities at Blacksburg Middle School relating to topics such as healthy relationships, creativity, body image, and self-esteem.
- Helped plan and facilitate College Day, the middle schoolers' field trip to Virginia Tech's campus.
